

Step Up to Button Up Ryegate

Friday, September 27, 2019 - 7:00pm

Ryegate Corner Town Hall, Witherspoon Road, Ryegate Corner, VT

Ready to stop burning money? Weatherizing your home is often one of the best financial investments you can make. This workshop will help get you started.

We'll answer these questions:

- What does weatherization look like in your home?
- What are the benefits of weatherization?
- What incentives are available to help you get started?
- What can you DIY and when should you work with a contractor?

Whether you're new to weatherization or have detailed questions about your next project, energy experts from Efficiency Vermont will provide guidance and answer your questions and talk through the new incentive to cover half of your project costs (up to \$4000).

You'll also be able to set up a free home energy visit to discuss your best opportunities to make your home healthier and more comfortable.
